As our exclusive distributor of publications NY Canal Times and Lake Country House and Home, working with CrateDiggers Distribution has been a tremendous compliment to Mercury Media Group. Reliable, timely deliveries and professional, courteous customer care have been hallmarks of CrateDiggers' service for the past two years we have worked with the company. CEO Michael Bambrick is very easy to work with and has consistently provided excellent service and detailed distribution reports. I would highly recommend any publisher in need of distribution services to enlist the help of CrateDiggers.
